

SAINT RAPHAEL ACADEMY

2021-2022 Annual Report

Mission Statement

Saint Raphael Academy is a diocesan, Catholic, college preparatory school founded in the tradition of Saint John Baptist de La Salle and rooted in the Gospel of Jesus Christ. The Academy provides a comprehensive secondary education to young men and women from diverse backgrounds and prepares each student for a life dedicated to learning, leadership, and service.

WE APPRECIATE THE DEEP COMMITMENT SHOWN TO THE ACADEMY'S MISSION BY BISHOP THOMAS TOBIN AND THE DIOCESE OF PROVIDENCE, THROUGH THEIR SPIRITUAL, ADMINISTRATIVE AND FINANCIAL SUPPORT TO SAINT RAPHAEL ACADEMY.

FROM THE PRINCIPAL

Dear Saints,
I am back on Walcott Street for my 11th year as the Head of School at Saint Raphael Academy, and I love the opportunity to work with so many Saints every day. The trees lining Walcott Street are starting to show their beautiful autumnal colors, and the chrysanthemums are in full bloom throughout the campus. The last month has been nothing short of awesome on our campus, and there is electricity in the air. The SRA faculty, staff and students are thrilled to see one another (without face coverings), and the tempo and flow of the day is finally back to normal.

Throughout the summer, we added new faces within our student population, and several of our teachers are also new to our campus this fall. Our development office also experienced some changes. I am thrilled to announce Mr. Ron Dalton '79 is now the Director of Development and Ms. Mel Colvin '02 is our new Alumni Coordinator. I am so excited to be working with both professionals!

Our capital campaign, "The Next 100 Years," ended as an overwhelming success. As many of you know, the campaign began during the pandemic and our goal was to raise \$5,000,000. The final amount raised was an astounding \$5,200,000, far exceeding my expectations. More importantly, we're pleased to announce that this spring, the West Building was renamed the Walker Family Building in recognition of the gracious gift that Chuck Walker '64 and his family made toward the capital campaign (see page 18). Most of the funds raised in the campaign will be used for financial aid for our current students and endowment funding to financially support future SRA students. Even though the campaign is officially over, we are still accepting gifts if you would like to help with either financial aid or our endowment.

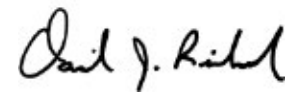

Every year, the school administration designs a plan to beautify the Academy and give our students the best experience during their time on Walcott Street. This summer was no different. One of the biggest upgrades we accomplished during the last few months is the new bathrooms in the East Building (formerly known as St. Joseph's School). The bathrooms were old, outdated and deteriorating, and certainly not at the standard we expect for our Academy. Renovations were completed a month ago, and the bathrooms look beautiful. We also began updating the former Saint Joseph's Church rectory at 193 Walcott Street. SRA purchased this building a few years ago, and we have relocated our Campus Ministry in this wonderful facility. Additionally, we finally put a full kitchen with

stove, oven and two fryers in the Walker Building. This is a welcome change for the same space where students were required to stand while eating their lunch back in the day. Times have certainly changed over the years at the Academy!

It is hard to believe, but we have already begun meeting to discuss the 100th anniversary of Saint Raphael Academy. The Academy officially opened on September 10, 1924, in the White Building at 123 Walcott. Over the last 98 years, the campus developed to now include eight buildings along Walcott Street. Much has changed, but the charism of being a Catholic high school founded in the tradition of Saint John Baptist de La Salle has remained constant throughout the years. As we plan for the upcoming centennial, it is our hope to highlight the accomplishments of the past, recognize and acknowledge past students for their many achievements, and celebrate what Saint Raphael Academy has been for Pawtucket and the surrounding Blackstone Valley region. Expect more information to follow in the coming months.

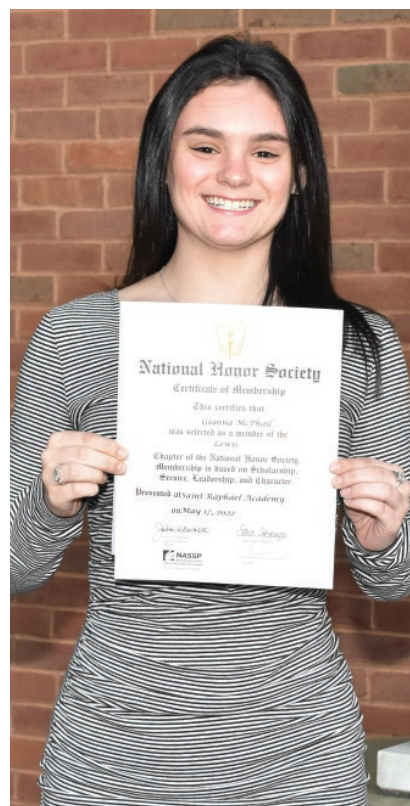

This has been a tremendous year at the Academy; we are back to normal operations, improvements continue to be made on our campus, and we have just finished the largest capital campaign in the history of the Academy! None of this happens without the generosity and kindness of our alumni! All of you are making dreams come true on Walcott Street, and I cannot thank you enough!

In Peace,

Dan Richard
Head of School
Saint Raphael Academy

If you would like to participate in our capital campaign and help secure Saints' future into the next century, please reach out to me at 401-723-8100, Ext. 113, or to Ron Dalton in our Advancement Office, Ext. 120. You can also find our online donation portal on our website, www.saintrays.org/give

REFLECTIONS '21 - '22

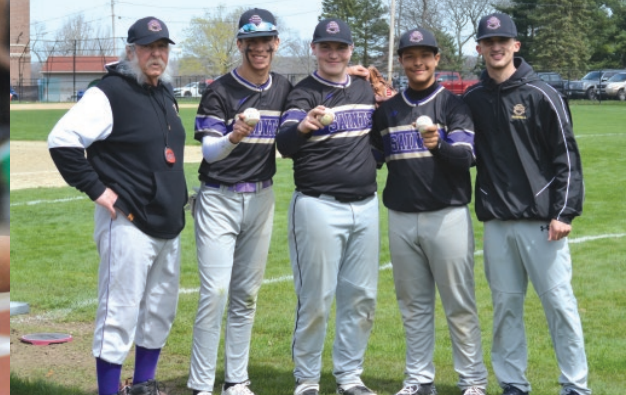

A look back on the 2021-2022 school year brings smiles to our faces as we reflect on the resiliency, spirit, faith, service, and sense of community shown by all our students. The year continued to include caution as the safety of our students and faculty always remained our number 1 priority. As things became a bit safer, the school continued to practice social distancing and looked forward to a return to seeing everyone's smiling faces on campus once again. Things may have still looked different, but the Saints Spirit continued to be on display, and we remained Saints Strong.

31st Annual SRA Alumni & Friends Golf Tournament

With the blustery winds making it feel at times, more like we were playing on the links tour in Scotland than in our Pawtucket backyard, our 31st Annual Tournament was another tremendous success. With over 200 alumni golfers and friends converging on Pawtucket Country Club on May 9th, 2022, this year's tournament, sponsored by Mr. Bill Farley from the Class of 1960, was a sellout once again.

Our honorees at the event were members of the Tracy Family, a Legacy family here at Saints and long-time supporters of our school and our mission.

With both our morning and afternoon sessions full, as the weather warmed up, so did the friendly competition on the course. The members of our Low Gross Team with a score of 63 were George Betts, Mark Foley, Wayne Laroche and Nicholas Caruso. Members of our Low Net Team, with a score of 52, included Gary Furtado, Pete Chabot, John Alfred and Chris Boulanger. Our Long Drive winner in the Women's Division was Anna Walker and our Long Drive winner in the Men's Division was Dom DiSano. Congratulations to all our winners.

We look forward to seeing everyone again at our 32nd Annual Alumni & Friends Golf Tournament on Monday, May 15th, 2023 at Pawtucket Country Club.

LEGACY LEGENDS

For so many of us, when you think about your time at Saints, these three legends are a big part of your greatest memories. Saint Raphael Academy has been tremendously fortunate to have Mr. Tom "Saar" Sorrentine, Sister Regina Brennan, RSM, and Mr. Terry Murray on our campus, touching lives and demonstrating outstanding service and dedication to the students of the Academy. Each of these legends have touched generations of students and families for over 40 years and can still be seen

around campus covering classes, mentoring faculty and students, coaching, and driving the infamous "Purple Bus." Saints is happy to announce that scholarships have been created in the names of each of these three tremendous "Saints" ensuring that their legacies live on forever here at Saint Raphael Academy.

Saints is also fortunate to have many other scholarships for which we are extremely grateful. These scholarships play an important role in helping us meet the needs of current students and securing the future of Saints for generations to come. Use this address to view and donate to any of the scholarships available here at Saints: www.saintrays.org/give.

Thank you to all the families and supporters of Saint Raphael Academy for the thoughtful legacies created in the name of loved ones, alumni, former teachers and in the name of your classes. "Once a Saint, Always a Saint."

CAPITAL CAMPAIGN

Our capital campaign, "The Next 100 Years," has been an overwhelming success. The original goal of the campaign was to raise \$5,000,000. Due to the amazing generosity of our alumni and supporters of Saint Raphael Academy, the amount raised is an astounding \$5,200,000, far exceeding my expectations, and continuing to grow. More importantly, we're pleased to announce that this spring, the West Building was renamed the Walker Family Building in recognition of the gracious gift that Chuck Walker '64 and his family made toward the capital campaign. Most of the funds raised in the campaign will be used for financial aid for our current students and endowment funding to financially support future SRA students. Even though the campaign is officially over, our first 100 years are not, and we are still accepting gifts. If you would like to help by making a one-time donation to either financial aid or our endowment you can do so by using the following address: www.saintrays.org/give/the-next-100-years-capital-campaign/ or by searching for "capital campaign" on the Saint Raphael Academy new website. You can also choose to make a pledge to the school and spread your donation over multiple years.

Saints is pleased to announce that you can also support the school with a gift of stocks and securities or as part of your estate planned giving intentions. For details on those programs, which may include tax benefits to the donor, contact our advancement office at rdalton@saintrays.org.

The Walker Family Building Dedication

On April 1st, 2022, Saint Raphael Academy hosted a special event here on campus to acknowledge and thank Mr. Chuck Walker, Class of 1964, for his lifelong dedication and generosity shown to our school throughout his lifetime. Saints showed its appreciation for his decades of service to the school and the leadership Chuck provided to our last two capital campaigns by rededicating the former West Building as the Walker Family Building.

Principal Richard spoke about the lasting impression Chuck has had on his former classmates from their time together in the classroom and on the playing fields right through to today. Chuck founded Chemlink Laboratories in 1989 and as his business continued to be successful, Chuck always kept in contact with Saint Raphael Academy to help improve the campus and make it possible for future generations of students to attend.

As part of his introduction, Principal Richard said the following: "I am thrilled to be before you here today to rededicate this building in honor of the Walker family. Chuck Walker is a wonderful example for all of us, throughout his life he never forgot where he came from, and he always remembered the people and organizations that helped shape and mold him into the person he is today. During the past five decades, Mr. Walker always gave of his time, talent, and treasures to Saint Raphael Academy and today we honor him for his service to our Academy."

Joining Mr. Walker at the dedication ceremony was his wife Anna, daughters Lisa, Megan, Traci and their families and his sister Patti and her family.

"Today is truly one of the great honors of my life," Walker said.

We will forever be grateful to Chuck Walker and his family for all he has done in creating his legacy here at Saint Raphael Academy.
