Spring 2022 News from Saints

Saints,

It is so exciting to finally have Spring blossoms here on Walcott Street!! As I read through the SRA Spring Newsletter, I was affirmed by the wonderful giving spirit of our alumni and friends of the Academy.

We are in the final months of the SRA Capital Campaign: “The Next 100 Years” and it has been an overwhelming success. We have exceeded our initial goal of \$5,000,000 and both Chuck Walker '64 and Rich Mills '89 are shining examples of SRA alums who unconditionally supported the Academy and our campaign.

Fortunately for SRA, many other friends and alumni stepped up and gave their time, talent, and treasure to our school. As I reach a decade of service at this Academy, I cannot thank the amazing SRA alumni for your continuous support; all of you have helped positively shape and transform this school for years to come.....THANK YOU!!

Dan Richard
Head of School

Introducing: The Walker Family Building

On April 1, St. Raphael Academy rededicated the West Building as the Walker Family Building, in honor of Chuck Walker '64 and his family. Auxiliary Bishop Robert Evans joined us for the services to bless the newly-named landmark on campus. We were happy to honor Chuck's generosity and decades of service to the school, including his current leadership role in our Capital Campaign Executive Committee.

“We are here to acknowledge and thank Chuck Walker for his lifelong dedication to Saint Raphael Academy and the generosity he has shown our Academy throughout his lifetime,” said Principal Dan Richard in his remarks.

Chuck traveled from his home in Georgia and was accompanied by his wife, Anna and other family members.
